INTRODUCTION

WHY WORK FOR PENDLE EDUCATION TRUST

This is an exciting time to join Pendle Education Trust. We are developing and always improving the academies within our family to ensure the highest standard of education for our children.

Pendle Education Trust is a family of academies in East Lancashire educating over two thousand children. The Trust is sponsored by Nelson and Colne College. Established in 2013, Pendle Education Trust continues to grow, welcoming new schools to our family.

Currently we have five Academies within our family, and we are looking forward to welcoming new additions over the coming months and years:

- **Castercliff Primary Academy**
- **Casterton Primary Academy**
- **Colne Primet Academy**
- **Pendle Primary Academy**
- **West Craven High School**

Our focus is exceptional leadership and meeting the needs of local families and the community. Through close collaboration with local partners and schools, we strive to deliver an excellent education for children in Pendle and surrounding districts.

Our vision is that every child should only be a short walk away from a world class school. We exist to empower, enable and inspire schools to provide an outstanding level of education and support through exceptional leadership, collaboration, innovative thinking and understanding of local needs.

In practice this means that we care passionately about all the children in our academies and believe in the difference our work can make to their lives. We have a fantastic staff of over 280 people across our academies – all dedicated to this single purpose.

We don't apologise for relentlessly driving forward improvements for the benefit of our children and staff and look for ways to collaborate within the Trust and with other schools and academies with like-minded philosophies. There will be considerable opportunities for professional development and there will be coaching and mentoring opportunities.

We have strong links with our sponsor, Nelson and Colne College, to develop skills and potential in all Trust staff. We encourage participation in relevant networks and forums with other finance managers working in education.

You will have an excellent benefits package including a final salary pension scheme, a generous holiday entitlement and sociable hours of work. We are a flexible and supportive employer and would consider job share or part-time working applications.

PENDLE PRIMARY ACADEMY

At Pendle Primary Academy we aim to provide an environment where all children are inspired to learn and achieve to the very best of their ability. Our children love coming to school. They feel safe, develop strong friendships, have fun in their learning and their play, and have the confidence to explore new challenges.

Our core values are based on our vision that every child will SHINE: they will be Safe, Here, Inspired, Neighbourly and Excellent in everything they set out to achieve. These values are embedded in everything we do throughout school.

The curriculum at Pendle Primary Academy is learner-centred and has been developed internally to reflect the needs of our children and community. A rich tapestry of experiences underpins the academy's curriculum, offering all children opportunities to develop a practical understanding of the world; these experiences form the bedrock of the curriculum and provide the foundation of children's learning.

We have over 400 children on roll from a range of backgrounds, the majority of whom speak English as an additional language. As an accredited Voice21 Oracy Centre of Excellence, we pride ourselves on our commitment to ensuring that all children learn to be effective communicators during their time with us, simultaneously using their learning to improve their talking skills, and further developing their curricular learning through exploratory and presentational talk. Supported by innovative technological approaches to recording and assessing children's outcomes, we offer a fully inclusive curriculum which enables all children, regardless of their individual starting points, to thrive and succeed.

By joining Pendle Primary Academy you will become part of a supportive and ambitious team. We collaborate with our colleagues at Casterton Primary Academy and Castercliff Primary Academy, as well as the two secondary academies in Pendle Education Trust, and benefit from the support of the Trust's core team for functions such as Finance, Facilities, Human Resources, Health and Safety, IT, Marketing and Governance.

Please take the time to read the information in this booklet to find out more about this role and we look forward to receiving your application.
