We are offering an exceptional opportunity for a Cover Supervisor to join our large, vibrant and well-established team working in the heart of Lancashire's Ribble Valley. You will join us at an exciting and seminal time in our rich 90-year history, with the recent opening of our primary phase seeing us begin our journey as an all-through school for pupils aged 4 - 16.

The successful candidate will cover short-term staff absence across a range of subjects at our secondary site and will need to be confident, flexible and able to deliver work which has been set by the usual classroom teacher. You must have good behaviour management skills, the ability to build strong relationships with pupils and staff and the ability to supervise a classroom effectively, ensuring that pupils work productively and stay on task.

Excellent numeracy, literacy, interpersonal and organisational skills are essential to this role. If you are energetic, resilient and committed to the wellbeing and education of young people and you thrive on teamwork and making a real difference, this could be the role for you!
