About out school:

Our school is a small school. We serve a wide catchment area and we welcome children from different social and ethnic backgrounds. 50% of our children are from the Traveller & Gypsy / Roma community.

At St Patrick's we strive to ensure that all of our children are happy, enthusiastic learners. We are an inclusive school and our children are at the centre of all that we do.

Achievement at St Patrick's is celebrated with importance and enthusiasm. We are dedicated to encouraging our children to aim high, welcome challenge and do their best in all aspects of school life. Our learning environment is bright and stimulating and promotes Assessment for Learning initiatives and targeted work. In addition to our everyday curriculum, we provide a wide range of activities for our children in order to further develop their skills and talents.

We seek to develop in our children values such as trust, reliability, perseverance, self-discipline and self-worth. We want our children to be proud of their school and to enjoy their learning. We strive to provide a setting in which they can thrive.
