Dear Applicant,

Thank you for your interest in working at our wonderful school. Our whole school community, including our wonderful governing body, is committed to supporting our children to be happy, healthy and confident learners. We create and provide opportunities for both children and staff to be the best they can be and we celebrate success and achievements seen by all.

You will find our children a pleasure to work with; they are kind, hardworking, polite and a lot of fun! You will also find our staff team supportive, encouraging and inclusive. We all learn together. Staff wellbeing is of paramount importance to us, and we are committed to professional development.

If you have a passion for working with children, and in particular with children with unique qualities, then we would love to hear from you. No two days are ever the same, but they are always filled with smiles, laughter and a huge sense of satisfaction, with the knowledge that you make a difference to our special, beautiful children.

Safeguarding Commitment

This school is committed to safeguarding and protecting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Kind Regards,
