INTRODUCTION

WHY WORK FOR PENDLE EDUCATION TRUST

This is an exciting time to join Pendle Education Trust. We are developing and always improving the academies within our family to ensure the highest standard of education for our children.

Pendle Education Trust is a family of academies in East Lancashire educating over two thousand children. The Trust is sponsored by Nelson and Colne College. Established in 2013, Pendle Education Trust continues to grow, welcoming new schools to our family. Currently we have five Academies within our family, and we are looking forward to welcoming new additions over the coming months and years:

Castercliff Primary Academy

Casterton Primary Academy

Colne Primet Academy

Pendle Primary Academy

West Craven High School

Our focus is exceptional leadership and meeting the needs of local families and the community. Through close collaboration with local partners and schools, we strive to deliver an excellent education for children in Pendle and surrounding districts. Our vision is that every child should only be a short walk away from a world class school. We exist to empower, enable and inspire schools to provide an outstanding level of education and support through exceptional leadership, collaboration, innovative thinking and understanding of local needs.

In practice this means that we care passionately about all the children in our academies and believe in the difference our work can make to their lives. We have a fantastic staff of over 280 people across our academies – all dedicated to this single purpose.

We don't apologise for relentlessly driving forward improvements for the benefit of our children and staff and look for ways to collaborate within the Trust and with other schools and academies with like-minded philosophies. There will be considerable opportunities for professional development and there will be coaching and mentoring opportunities. We have strong links with our sponsor, Nelson and Colne College, to develop skills and potential in all Trust staff.

You will have an excellent benefits package including a final salary pension scheme, a generous holiday entitlement and sociable hours of work. We are a flexible and supportive employer and would consider job share or part-time working applications.

Please visit our website for more information about Pendle Education Trust.

JOIN US

COLNE PRIMET ACADEMY

Now is a really exciting time to be joining Colne Primet Academy as we go through a period of rapid expansion, both in terms of staff and student numbers and with extensive new building and refurbishment work recently completed and opened from September 2024.

We currently have 875 students on roll from a diverse range of backgrounds, and the students numbers continue to grow up to our full capacity of 1050 over the next few years. Throughout the school, we have students who speak 23 different languages. Working with such a diverse community brings lots of opportunities for students to learn more about each other and themselves.

By joining the Primet family you will become part of a supportive and ambitious team. The core drive of being part of the Primet staff team is about wanting the best for our students, and to help them overcome any barriers to their success. Our aim here at Colne Primet Academy is to give each and every child the very best educational start in life. At all times, we guide, support and inspire.

We collaborate with our colleagues at West Craven High School as well as the three primary academies in our Trust family and have the support of the Pendle Education Trust core team for functions such as Finance, Facilities, Human Resources, Health and Safety, IT, Marketing and Governance.

We are proud of the positive atmosphere that exists within the Academy. Visitors very often comment on the calm and orderly surroundings and the warm, welcoming and friendly ethos we have created. We believe that high achievement comes as a result of a positive atmosphere, high expectations and mutual respect.

Our core values are based on the Primet Positives: Progressing, Respectful, Inclusive, Motivated, Expressive and Together. These values are embedded in everything we do throughout school, and we are very proud of what Colne Primet Academy stands for in its community – we hope you want to be a part of that too.

Please take the time to read the information in this booklet to find out more about this role and we look forward to receiving your application.

JOB DESCRIPTION

Our cover supervisors work as a team to deliver lessons within our study room, with potentially up to 5 classes within this space when needed. This enables students to receive a consistent and high quality learning experience when their normal class teachers are not available. Students are used to this established routine, and understand the systems and expectations of the room, ensuring they are able to get the most out of these lessons and complete as much learning as possible within the hours lesson. The cover supervisors coordinate and feedback on the work completed being returned to the correct teachers, so this can then be followed up in their next lesson. Some lessons will still be covered as individual classes within classrooms, this is mainly where specialist resources are needed such as for computing lessons.

Role Specific

- To supervise the completion of pre-planned work that students can access independently with minimal staff input (not teaching, not new topics).
- To supervise classroom activities, maintain discipline and implement behaviour management controls in accordance with school policy and health and safety.
- To collect completed work at the end of each lesson and produce written feedback to the classroom teacher on performance, behaviour and attainment of the students.
- To accompany students on trips, visits and other educational activities.
- To undertake a 'duty' as part of the school's duty system (including break and lunch).
- Support the work of classroom teachers when not deployed directly covering a class.
- Support and contribute to the development of an "activity bank" of resources.
- Support and contribute to the creation and maintenance of classroom displays.
- Invigilate internal and/or external examinations.
- To support general school administration when demand for cover is low.

Student Responsibilities

- Value and support students to achieve their full potential.
- Having high expectations of behaviour and academic achievement for all students.
- Effectively manage the behaviour of students using positive behaviour strategies to ensure learners' engagement in lessons.

Trust Responsibilities

- Share the Trust's Vision, Mission, Values and Behaviours and communicate them effectively.
- Participate in Staff Review and Professional Development activities, and be actively involved in the Trust's culture of high expectation.
- Value diversity and promote equality.
- Engage in marketing activities and liaison with employers and the wider community in line with Trust strategies.
- Contribute to cross-Trust events.
- Adhere to Trust policies and procedures including Health and Safety.
- Be responsible for safeguarding and promoting the welfare of children and young people.
- Any other duties that the Principal considers appropriate.
