Dear Applicant

Re: Technology Technician – Permanent

Thank you for your interest in the Technology Technician post we are seeking to fill at Bishop Rawstorne Church of England Academy. This is a permanent position, and we are looking for the right candidate to join our team in the autumn. We have exceptional students and are looking for someone who has a genuine interest in young people and helping them to achieve their potential. Every role counts in a school, and the successful candidate will be able to bring their skills, experience and knowledge to add value to a diverse and busy curriculum area.

You will be working across all the curriculum areas in the Technology Art Creative (TAC) Faculty. TAC is housed in a specialist block with recently updated facilities including: a full design and technology and engineering workshop, a new Design and Technology hub (with a workshop and CAD/CAM space), two art and textiles rooms and a specialist food preparation and nutrition kitchen/classroom.

Our KS4 options are often fully subscribed. The students enjoy the academic and creative rigor of practical and engaging courses, which include GCSEs in: Design and Technology, Food Preparation and Nutrition, Art and Design and a Technical Award in Engineering.

We are looking for someone to support our vision and work with our wonderful staff and students in all the areas outlined above. The successful candidate will also benefit from additional training and opportunities to develop their skills even further.

Bishop Rawstorne is committed to the safeguarding of all students. The successful candidate will be required to undertake the Enhanced Disclosure process via the DBS.

If you would like to join our school community and be part of our team, please return your completed application form to recruitment@bishopr.co.uk. The closing date for applications is **12.00 noon on Monday 16 June 2025**. We look forward to hearing from you.

Yours faithfully

Mrs L Hood
Business & Finance Manager
