Dear Applicant

I would like to begin by thanking you for the interest you have shown in the post of Key Stage 2 Teacher here at St. Joseph's.

"The virtues of the Jesuit Pupil Profile and the commitment to 'men and women for others' are the golden thread that binds this loving and harmonious learning community together. Pupils, and all those associated with the school, feel the sense of belonging. This is an extremely strong feature of St. Joseph's. Pupils are extremely polite and well mannered. Their behaviour is exemplary and they socialise well." These are not my words but the words of the Ofsted Inspector following the School's most recent inspection in March 2019 and the school is justifiably proud of this description.

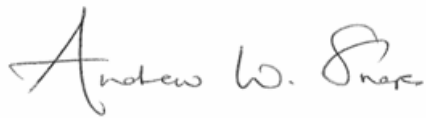

The School promotes strong Catholic values in the Jesuit tradition and strives for excellence in academic achievement but also, and perhaps more importantly, for the personal, spiritual, moral, and intellectual formation and development of each of its pupils as individuals personally loved by God (the 'Cura personalis') in an environment where all feel safe and cared for and where all are actively encouraged to discover and use their gifts and talents both now, and throughout their lives, for the greater glory of God and for the common good.

The School is extremely fortunate to have a very dedicated and talented team of teaching staff with its consistently high levels of academic achievement being supported and made possible by

outstanding teaching, pupils who are well behaved and eager to learn, a committed Chaplaincy team and a supportive and active Governing Body.

The Governors are confident that the right candidate will find great personal satisfaction in the role of Key Stage 2 Teacher in this small, friendly and historic Jesuit school and I wish you every success with your application.

Yours sincerely

Andrew W. Snape
Chair of Governors
