Hello, and thank you for showing interest in joining us at Brookfield Park Primary School.

Our mission is to inspire our children about learning and the opportunity and possibility it opens up; to build their self-confidence and self-awareness; to build a sense of citizenship and, perhaps, above all, to instill in them a desire to be the best they can be and to believe that anything is possible if you put your mind to it.

We also believe that learning takes place at its best when you are enjoying yourself, so we create a fun, innovative and creative environment in which to learn.

We think of ourselves as a family with very actively engaged members - the children, around whom everything we do is built, our staff, our parents and carers, our governors and the community in which we live.

We are blessed with a deeply committed, experienced and passionate team of teachers who consistently deliver excellence and go above and beyond without question. We are committed to supporting their ongoing professional development.

As a former pupil myself, I am extremely proud to lead the Board of Governors to support all our staff in creating the best learning environment possible and to ensure, when the time comes, each and every child leaves us richer of knowledge, confidence, curiosity and independence.

This is Brookfield Park. We are proud of it.

If you would like to come and see us, ahead of submitting an application, we would be delighted to welcome you (in line with risk assessment and social distancing measures). Just let us know. Or, if you'd just like to chat we can arrange that too!

Very warm regards,

David Brown  
Chair-Elect, Governing Board
