Dear Applicant,

I am delighted that you have taken an interest in our temporary class teacher posts.

We are a school that is firmly rooted in our community, as such we feel that we know our families and children so well that the education we provide them is very much tailored to suit their needs and allow them to flourish. The children are at the heart of everything we do and we are dedicated to providing the best education that we can along with developing the whole child through a wealth of experiences and wide-ranging opportunities.

This is an exciting time for Brookfield Park Primary School as we are starting a new chapter, with a change of leadership and a renewed focus on driving the school towards excellence.

Located in Skelmersdale, we are a one form entry school with 159 pupils currently on roll. We are very proud of our thriving nursery, which is situated in our purpose built EYFS unit. A key aspect of our school, and one that sets us apart from the rest, is our co-location with Kingsbury Special School. We run as two separate schools but with a shared commitment to providing all of the children on the campus with the best facilities and educational opportunities possible.

We are looking to appoint an **enthusiastic, creative** and **experienced** class teacher who is strongly committed to becoming part of our successful team. Particularly important to us is someone who can demonstrate a positive attitude to change and fully engages with the renewed school vision:

- Commitment to becoming the hub of our community
- Developing the strongest of relationships with parents to ensure 100% engagement
- Developing a tailored curriculum which fully meets the needs of our children
- Providing our children with all of the tools and skills necessary to become independent life-long learners
- To offer creative and collaborative approaches to support the emotional health and well being of every child in school

Our **school promise** summarises what we expect from our pupils every single day in every part of their lives:

At Brookfield park Primary school:
We are always kind
We are always resilient
We always take ownership

Along with the role of class teacher there is an expectation that you will lead at least one subject, so we would be particularly keen to hear from anyone with an interest in any of the following subjects: music, art, DT, PE.

We can offer you:

- A fantastic, hard working and experienced staff team who are always welcoming towards new colleagues
- A supportive and approachable SLT who are focussed on driving the school towards continued excellence
- Wonderful, enthusiastic, warm and happy children who enjoy coming to school
- An enthusiastic and dedicated governing board, who are keen to work with staff and parents to continue to make our school the best it can be
- Well-resourced and generously spaced learning environments which make our children proud to attend Brookfield Park Primary School
