Headteacher: Miss E Cooper BSc (Hons) QTS

Telephone: (01772) 424268

E-mail: head@leverhouse.net web: www.leverhouse.net

Thursday 27th May 2021

Dear Applicant,

The headteacher and governors of Lever House Primary School are looking to appoint an excellent class teacher to join their EYFS team for to cover a maternity leave from September 2021. This post is suitable for experienced teachers.

About us:

Lever House Primary School is a larger than average school with an intake of 45 children, located in Farington on the outskirts of Leyland. The school is usually oversubscribed and has a very good reputation in the community. At our last Ofsted inspection, in Dec 2017, we were graded as a 'good' school.

At Lever House Primary School we have high expectations of all. We strive for excellence in all we do and aim to develop every child to the best of their ability in all areas.

We are looking for someone with enthusiasm who will go the extra mile, bringing something additional to our wonderful school.

The successful candidate will:

- Be passionate about children's learning and welfare, forging strong relationships with parents and our wider school family.
- Be an inspirational and motivational teacher who believes in our vision and is totally committed to raising standards, while making learning fun and creative for all.
- Be a committed team player, demonstrating flexibility, co-operation and a willingness to take an active role in school life both inside and outside of the classroom.
- Be a reflective practitioner who is open to new ideas
- Have experience of teaching in Reception Class effectively to raise standards
- Use IT creatively to enhance learning opportunities (or be willing to learn).

We offer:

- A hard working and forward thinking school with a highly professional and committed team.
- A culture of high expectations; we strive for excellence in all we do.
- Enthusiastic pupils who love to learn and strive to be the best they can be in all aspects of their education.
- A fantastic working environment with bright new classrooms and extensive outdoor space which includes a woodland area, pond and play spaces.
- Opportunities to continue with their own professional development

We are the Apple Regional Training Centre for West Lancashire and use technology to enhance the learning of our pupils from EYFS through to Y6. In KS2, our children have 1:1 iPads to support and enhance their learning opportunities and many have taken the option to take a device home to provide further support. We also offer Forest School and/or outdoor learning opportunities to all our pupils throughout each year group. We aim to provide a fun, exciting, engaging and creative curriculum and are always looking for ways to develop this further.
