Dear Prospective Applicant,

Thank you for your interest in the post of Deputy Head Teacher at St Mary's CE Primary School.

The staff, children and governors of St Mary's are very proud of our vibrant, successful school, our academic achievements, exciting curriculum and the enrichment opportunities we offer.

Our staff are all highly skilled classroom practitioners who are passionate about what they do, with the result that our children achieve well, making excellent progress from their starting points and attaining at least in line with national figures at the end of KS2.

We constantly seek new research led developments that allow us to add value to the learning experience and improve every aspect of what we offer in line with our commitment to ensure the very best outcomes for all. We have become leading practitioners in the Maths Mastery approach, use VR headsets to allow our children to enrich their work on topics across the curriculum using Google Expeditions and work closely with Burnley Football Club on health and sport related exercises.

The Governing Body is integral to the school, we challenge and debate but are there to support the Head and Senior Leadership Team. Our aim is to be the school of choice for parents in the Rossendale Valley.

The successful applicant will be able to maintain and develop strong partnerships with our families and create links with our local and wider communities.

If you are forward thinking, a great classroom practitioner and a team player with a positive attitude who is looking for their next career challenge this position could be for you.

I would urge you to make time to visit our school and consider what you can offer St Mary's and what St Mary's can offer you before making the decision to apply.

Regards

Mrs K Girling
Chair of Governors
