Dear Applicant,

Thank you for showing an interest in our wonderful village school. We are very proud to be a part of Silverdale Saint John's. Our teachers are fun and make school an exciting place to be. We love using our local village and surroundings for outdoor learning as much as possible and enjoying being a part of a fantastic community.

We have discussed what qualities we feel you need to be our new Head Teacher. We think you should:

- Show care and concern for the environment we live in
- Think about individual people's needs
- Be calm but confident- not embarrassed to sing and dance!
- Be willing to admit when you have made mistakes and learn from them
- Believe in us all
- Be safe, but let us have fun too
- Be approachable and want to get to know us all
- Let pupils have a voice about what happens in our school

In return we promise to work hard to do the right thing:

- Show respect for the decisions you make
- Accept other people's opinions
- Be kind and helpful to one another
- Have an enthusiastic attitude towards our learning
- Make you feel welcome and a part of our school family

We know it will take some time to get to know us all by name, we promise to help you with this and will give you the time you need to settle in. We are really looking forward to meeting you and would love you to come and visit our happy, friendly school.

Yours Faithfully,

Silverdale Saint John's School Council
