

Dear Future Head Teacher

We would like you to manage our School With care and respect.

Our Wonderful School follows our christian Values of trust, Courage, Respect, love, Perseverance and all others. We would expect Our head to follow these with us.

A major part of your role would be to take care of all pupils and Staff in our School and keep us Safe throughout our Work and play.

We expect you to be hard working and the qualities you must display as our head teacher are: bravery, positivity, kindness, helpfulness, respect, creativity, a growth mindset, a good sense of humour, care and love.

We want a person who understands that we want fun in our learning and who will provide lots of exciting activities for all the children.

It is important to us that every pupil has a voice. Each year, we choose two members of School parliament from each class. We expect you to continue to listen to us.

Faith and worship are a big part of our School life and we put our trust and faith in God and Jesus. We also respect all other religions and people who have no religion or faith. We want a head teacher that will carry this on and help us to be the best people we can be.

At our School, the staff work as a team. They are kind, respectful and persevering. Will you be like all our other staff?

Do you think you would like our School?
Would you like to be our head teacher?
If so, please apply.

Yours Sincerely,

St Nicholas CofE Primary School,

Year 4.
