Dear Colleague

Thank you for your interest in the class teacher vacancy at our school.

Samlesbury is a family school where the children, staff and our wider school family really do care for one another. School has an excellent reputation in the community and achieves well academically, as well as participating widely in sporting activities and performing arts during the year which we are beginning to get back into after the impact of the pandemic.

We are situated just south of the River Ribble, just off junction 31, in a fabulous rural setting with excellent outdoor facilities. We serve the Parish of Samlesbury but families choose to send their children here from further afield as our children benefit from our smaller class sizes, amazing location and the family ethos of our school. We also provide a well-attended breakfast (run by our own staff) and an after school club (run by Cool Kidz Community Futures), both on our site.

The school offers a fantastic working environment, with plenty of outdoor space. We have very supportive families and we have great relationships with them in support of the children in school.

The closing date for applications is Tuesday 30th November **at 4pm. We will be shortlisting on Wednesday 1st December with a view to observing teaching between then and the interview date on Wednesday 15th December.** If you do not receive an invitation to attend for an interview within two weeks of the closing date, you may assume on this occasion your application has not been successful.

If you wish to be part of a supportive, dedicated and enthusiastic team with children who are confident happy learners then we look forward to welcoming your application.

Thank you for your interest.

Kind Regards

Lucy Sutton
Head Teacher
