Headteacher: Liz Robinson

Dear Applicant

On behalf of the pupils, staff, parents and governors of Treales Church of England Primary School, I would like to thank you for your interest in the position of Headteacher. We hope you will find the enclosed information helpful and we look forward to your application.

The school is situated in beautiful grounds next to the parish church of Christ Church Treales. It is a small rural school which has benefitted from the strong commitment of staff, parents, pupils, governors and the local community making the school the stimulating and caring environment, of which we are very proud.

Over the years, the school has had extensions to the original building and is spacious and well-equipped. The grounds include an outdoor classroom, playground with climbing apparatus, pond and school garden.

The school has very close links with the church and we would be looking to maintain these links. The local community has always been very supportive and the school has an active Friends Committee which raised significant amounts of money.

All our staff are hard working and dedicated to maintaining the high standards of the school, supporting the vision of 'Creating secure foundations, enriching lives and inspiring futures', while making education very enjoyable.

We are looking to appoint someone who will share our vision, build on the existing strengths and work to secure high standards of teaching and learning.

If you would like to visit the school, please telephone the school office and Mrs Harling will arrange a time with you.

We look forward to your application.

Yours sincerely

Libby Pickervance
