Headteacher: Mr. Kevin Kendall
head@grosvenorpark.lancs.sch.uk

Dear applicants,

We would like to say thank you for being interested in applying to be headteacher at our school, and joining our school family.

Our school has a safe and welcoming environment where everyone is encouraged to work together and make a difference. Everyone feels valued and is treated fairly by all adults and children. We have lots of opportunities available to us, from sports competitions and clubs to the school parliament, from plays and productions to residential trips. We know learning is important and we have lots of fun in lessons. Our school looks after the environment and is always thinking of ways to help the planet. We think our school is wonderful, so we would like someone who has ideas about how to make it even better!

We would like our future headteacher to be energetic, kind and hard-working. It is important to us that whoever gets the job is supportive and approachable. Someone who will cheer on our sports teams and is always ready to listen to us.

We want someone who will push us to be the best we can be, but is friendly, thoughtful and has a good sense of humour. We hope you fit these characteristics.

Do you think you would like to be our next Headteacher? If so, we look forward to meeting you and showing you our brilliant school.

Stay safe, be happy.

Head Boy and Head Girl

Ted
