

# Queen's Drive Primary School

Dear Applicant,

Thank you so much for your interest in working with us as our new Headteacher.

As a Board of Governors, we're ever so proud of our school, the long-standing excellent reputation that it has within our community, our superb staff and the tangible enthusiasm and engagement we consistently see from our children.

We're really keen to build on all the previous good work and that excellent reputation and have tried to play our part by developing what we think is an exciting vision of where we'd like school to be.

Now we need to find the right person to work with us to help deliver that vision.

If you feel you have what it takes and you can share our excitement about where we can and will be, then we'd love to hear from you.

We look forward to receiving your application.

Yours sincerely,

Martyn Jones
