Welcome from the Headteacher

Thank you for your interest in the position of Teacher of MFL at Team Millfield. We want to strengthen and grow our MFL department so we can further develop our provision for our students, under the new leadership of the Assistant Headteacher for MFL. This is an exciting opportunity to join a dynamic team of teachers who are focused on providing the best outcomes for our students. The Governors and I are looking for an enthusiastic teacher who is driven, determined and passionate about improving students' lives through high-quality teaching and learning as we take Millfield on the next step of our journey to 'outstanding'.

We welcome applications from new and experienced teachers, and can offer a TLR 2.1 (second in MFL) to the right candidate.

We are a small, family school with around 870 students on roll. The school is hugely popular; some of our families have even moved to ensure they are in our catchment area, and we have been vastly oversubscribed for the last twelve years. Behaviour at Millfield is excellent and there is a real belief in the Team Millfield ethos.

The school is proud to have won the Secondary School National Pupil Premium award in 2014 and in 2015 the Chief of Ofsted chose to visit us, the only secondary school in the North West, and said our students were 'delightful'. In May 2017 Ofsted confirmed that we continue to be a 'good' school and leadership at Millfield remains 'outstanding'. We introduced a new curriculum model and options process in September 2020 and we look to 'Create Bright Futures' for all our students.

I have worked at Millfield since 2009 and was incredibly proud to have been appointed as Headteacher in September 2018. I have high expectations of students and staff and I am a firm believer in giving every student the opportunity to be the very best that they can be; background should not be a barrier to a child's success.

We have a fantastic team ethos; staff collaborate to ensure that developing consistently high-quality teaching and learning is at the heart of everything we do.

We have three key priorities:

- Teaching and Learning: To ensure that we provide consistent stretch and challenge in every lesson, particularly for the disadvantaged and the most able.
 - Teaching and Learning: Providing consistent and effective questioning, feedback and assessment.
 - To become a Dynamic Learning Community, embedding a coaching model across the school.

We can offer you:

- A commitment to staff development in terms of high-quality CPL; supportive line management and appraisal;
- A supportive SLT commitment to staff wellbeing and reducing workload;
- Coaching (not graded) lesson observations, coaching (not graded) book looks to help improve student outcomes;
- Staff sharing of expertise, such as in the weekly 'I'm Proud to Steal Your Idea' session and frequent, collaborative CPL;
- An Induction Programme;
- A 'buddy' teacher in another department;
- Being part of an outward-facing school;
- Recognition and retention of excellent staff through internal promotion;
- A friendly and dedicated team of experienced and supportive teachers, teaching assistants, clerical staff and pastoral staff;
- A team of staff who are committed to ensuring that children are both nurtured and educated;
- Enthusiastic students who enjoy learning and being stretched and challenged;
- Engaged and supportive governors who want the best for our students and
- The opportunity to be part of the successful 'Team Millfield' as we move the school to outstanding.

If you have the skills, drive and enthusiasm to compliment the Millfield vision and be part of our success, then I look forward to receiving your application.

Mrs Nicola Regan Headteacher

Welcome from the Governing Body

Dear Applicant/Colleague,

I would like to thank you on behalf of the Governing Body for the interest you have shown in our school and this important key post that you have applied for. We believe that this is an exciting opportunity and that the successful applicant will be joining a happy, successful and welcoming school.

The Governing Body is seeking to appoint a Teacher of MFL who can teach high quality

lessons and contribute to the success of the MFL Department. Millfield is at a significant stage in its development as Mrs Nicola Regan has taken over the Headship of the school in 2018.

The school has had fantastic success over the last few years, having won the National Pupil Premium Award and having been the most improved school in Lancashire, as well as having achieved the best results on the Fylde Coast. The governors have a very simple wish for the school and that is to provide an environment that allows all students to become the 'very best that they can be'. The majority of the governors are recruited from our parents and we all have a keen and vested interest in providing the advice and support to help the school in this desire.

We hope you will apply for the post and would like to wish you every success with your application and interview, and we look forward to working with you over the coming years.

Yours faithfully,

David flack

Mr David Slack Chair of Governors

Welcome from the Students

Dear Applicant,

Welcome to Millfield! Our school is a place where students feel safe and welcome. Our students are respectful and polite, as are our teachers. When students come to Millfield every morning they know how to behave and how to get the most out of their lessons. Millfield is a great environment where students transform from young children in Year 7 to mature young adults in Year 11, ready for the world.

During our time at Millfield Science and Performing Arts College, every one of us has had a chance to shine and experience things we may not have done without the school. From our breath-taking trips to New York, Italy and Paris, to our wonderful after-school clubs, such as dance, trampolining, chess, astronomy, art and the many sports and extracurricular activities: our school has so much to offer! The Year 11s who leave Millfield and go on to college always miss these fantastic opportunities. Our teachers care about all students' life chances and it is vital, from a teacher's perspective, for students to have the best five years possible. Leaving school with phenomenal grades is important but so are the experiences that will last a lifetime. Here at Millfield we get both!

We believe that Millfield is a journey that everyone's driving through together. We always admire a person with a personal drive for what they want to do. As students, we would want a teacher who is ambitious, fun and hard-working. If you do come to work at Millfield, we would love you to also be a kind and warm person who students know they can smile at in the corridor. We hope that you will be joining us here at Millfield and become part of our exceptional team.

Yours faithfully,

The Senior Student Team

Staff Testimonials

"In 2018, I began my teacher training through a school's direct course and I was lucky enough to complete half of my training year at Millfield. Half way through my training year when I saw a post advertised, I applied without a second thought because I wanted to work with like -minded people to drive education forward.

After a year of working as a teacher of Performing Arts, I was appointed as Head of Dance. Working at Millfield has enabled me to work in an environment where students are given the opportunity to thrive emotionally, socially and academically. There is nothing more rewarding than witnessing and supporting students in their development.

I am now in my third year of employment with Millfield; they have been extremely supportive and have offered me an abundance of opportunities to continue my professional

development. I have felt like a valued member of 'Team Millfield' since day one. I know that Millfield will support me for the remainder of my career. I know they will continue to push me to be the best teacher I can be."

Alice Kilmartin, Head of Dance

"In 2015, I gained the position of Senior Science Technician at Team Millfield. During my first 12 months I had the opportunity to work with a committed and supportive science department, as well as the wider school. I was provided with an opportunity to gain teaching experience in the following years, with the view to undertaking the Assessment Only route into teaching. Over the years, I was given guidance, advice and training in all aspects of teaching and learning, allowing me to successfully complete the course and gain QTS.

Through the support I have received from the fantastic team at Millfield and continued CPL opportunities, I was fortunate to be appointed for the position of Head of Transition & Aspirations. In March 2022, I have been promoted to Second in

Science; as can be seen, I have seen my professional development and career progress considerably over the years and look forward to seeing what the future holds for my career at Millfield. "

David Booth, Second in Science

"This is my seventh year at Team Millfield; in this time I have gone from strength to strength in my teaching practice; I've been promoted twice and I've always felt part of the team. I started as an NQT and I have learnt a tremendous amount about building relationships and how to deliver effective and engaging lessons. This is all due to an extremely supportive and collaborative department and an encouraging and helpful SLT. The students at Millfield are fantastic. They're polite, well behaved, inquisitive and confident individuals who understand that lesson time is a time to learn, to be challenged and to progress. One of the most amazing aspects about working at Millfield is the incredible team we have! Everyone is so friendly and supportive, and this is always commented on by visitors to our school. Everyone listens and helps each other; there's a spirit of sharing and looking out for each other. Ultimately, if you would like to work at a school where you are supported to be the best teacher you can be, have excellent CPL opportunities and teach fantastic students, Millfield is the school for you."

Sarah Holden, Lead Practitioner of English

Staff Testimonials

"In 2009, I was placed at Millfield as part of my PGCE course through the University of Cumbria. Fortuitously, a vacancy within the English department was advertised during this time and I was lucky enough to secure a permanent post. In the years since then, I have worked as a teacher in the English department, been promoted to third in English, Pupil Premium Coordinator, Lead Practitioner, Head of English and now, 11 years later, I'm the Assistant Head teacher in charge of English and whole school Teaching & Learning(Assessment).

As you can see, Millfield creates opportunities for its staff. This is testament to the Headteacher and SLT who listen carefully when you talk about your expectations for professional development and, in turn, create opportunities,

where possible, to help and support you along your chosen pathway.

You may have read, or heard of, the expression 'Team Millfield', it's not a cliché, it's not a sales pitch and it's not merely a motto for the children to adhere to. It's at the heart of everybody who works and learns here. All the fantastic staff go above and beyond to support one another, learn from one another and share best practice with one another and it genuinely is a wonderfully enriching learning environment to be in."

Hannah Morton, Assistant Headteacher for English & Teaching & Learning (Assessment)

"I started at Millfield as Deputy Headteacher in September 2019, after having worked in other schools for 18 years. I remember visiting the school for the first time in February 2019, prior to applying for my current role, and I was truly amazed. I was greeted by a very passionate and enthusiastic Headteacher who clearly has an exceptional vision for her school and wants the absolute best for her colleagues and students – I just had to apply!

I thoroughly enjoy working at such an exceptional school where everyone feels valued and the students are really keen and eager to learn. I am really excited about the future of our school and what we will all achieve together - it is such a privilege to be part of Team Millfield!"

Bill Humphreys, Deputy Headteacher

"I first experienced teaching at Millfield through a placement in my training year and was immediately impressed by the ambition and drive of the school. I was lucky enough to secure a job here starting in September 2021 and have enjoyed every second since.

As an ECT (Early Career Teacher) at Millfield, I have a dedicated mentor as part of my induction programme who offers me one to one support. I also benefit from a reduced timetable and access to regular CPD opportunities to allow me to develop my practice.

A real highlight of the job so far has been taking on the role of a Year 7 form tutor, getting to know the pupils well and helping to guide them through their first year here at Millfield. I could not recommend the school more highly, and hope that you are successful in your application to join 'Team Millfield'.

Job Description

Teacher of MFL

Purpose of the Post:

You will be a highly-talented and committed teacher who shares Millfield's vision and values to help us ensure that the school continues our journey to 'outstanding'.

You will strive to be an outstanding classroom practitioner, who plans and teaches well-sequenced and scaffolded lessons to a high standard.

You will be a reflective and adaptable teacher who can maintain good discipline within the classroom.

You will be a firm believer that background is not a barrier to outcomes and you will have high aspirations for all our students.

You will build and maintain excellent relationships with your form tutees and their parents or carers. You will teach PSHE to your form.

You will be accountable for the safeguarding and welfare of students.

You will demonstrate a commitment to your own professional development and will be keen to improve your practice by being an active participant in the whole-school Teaching and Learning team.

The Department:

The department is led by the new Assistant Headteacher for MFL, and will have 2 full time teachers and a part time teacher. GCSE results, as can be seen in the table below, dipped slightly in 2019 and the decision was made to move the department to focussing solely on French from KS3, as the majority of our feeder primary schools study French. The department is now at an exciting stage and will be bringing Spanish into the curriculum in September 2022.

KS3 students have 2.5 hours learning per week and KS4 students have 3 hours learning per week. The department works collaboratively on lesson planning, moderating and ensures there is stretch and challenge embedded in all lessons. The department is well-resourced, and is developing a focus on students' skills with a newly designed learning journey and Schemes of Learning in place for students from Year 7 to 11.

Department's GCSE Results:

* The 2019 results also include a Year 10 class who sat the exam at the end of Year 10, hence the dip in results. Under the leadership of the current Headteacher, this was the school's final year of early entry for Year 10 students.

The Lancashire Application Form must also be fully completed, ensuring there are no gaps in your career history. In the references section of the application form, please clearly give details of two referees. References from employers are preferred, one of which should be your current employer. Please also include an email address for each of your referees. An excellent attendance record is essential. We will contact your current employer for attendance information if we make you a conditional offer of employment. An offer of employment will also be conditional on satisfactory medical clearance. The successful candidate will be asked to complete a confidential online medical questionnaire for submission to Occupational Health.

Closing date for applications: 20th May 2022, 9am

Interview: 25h May

Child Protection and Safeguarding

At Millfield, the welfare of the child is paramount. This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All staff should understand their responsibility to safeguarding and promoting the welfare of children and young people. Staff are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions. Staff should work, and be seen to work, in an open and transparent way. Attitudes towards promoting and safeguarding the welfare of children and young people will be scrutinised during the selection process for the post that you have applied for. If you are appointed to this post, information in relation to safeguarding and protecting children and young people will be provided at induction.

GDPR and Data Protection

The post holder is expected to comply with the provisions of the Data Protection Act (GDPR) 2018.

Equal opportunities

We are committed to achieving equal opportunities in the way we deliver services to the community and in our employment arrangements. We expect all employees to understand and promote this policy in their work.

Health and safety

All employees have a responsibility for their own health and safety and that of others when carrying out their duties and must help us to apply our general statement of health and safety policy.
