

SIR JOHN THURSBY COMMUNITY COLLEGE STRATEGIC VISION 2018-21

BECOMING A TRULY GREAT SCHOOL

CORE PURPOSE

At Sir John Thursby Community College everyone matters. We encourage kindness, resilience and success, and prepare our students for bright futures.

MEASURING IMPACT

- Outcomes for our students will place us in the top 10% of schools nationally
- Our attendance will be at least 97%
- All teaching will be at least good and all teachers show progression against the SJT 12

WHAT WE BELIEVE

- We value independence and resilience
- Our students deserve world class teaching
- Strong positive relationships make a great school
- We treat each other with care, respect and kindness
 - Education should include opportunities and experiences to become rounded individuals
- We value our staff
- Our families play a key role in supporting our young people to be successful

STRATEGIC PRIORITIES – IN ORDER TO BECOME A TRULY GREAT SCHOOL WE WILL ENSURE THAT:

1. Every student is known, valued and loved
2. Leadership at all levels is highly effective
3. Loopy learning is embedded in our teaching to make sure that learning sticks
4. Our assessment is accurate and allows gaps in learning to be addressed
5. All students and staff treat each other with respect
6. We work with our students to build resilience and independence
7. We work closely with our parents and carers to ensure success for their child
8. We abandon anything that may hinder the preparation of great lessons and creates unnecessary work load.
