**MFL Department
Teacher of MFL**

Permanent, from September 2022

This is an exciting opportunity for an ambitious and talented teacher to join a highly successful MFL Department.

The Modern Languages department aims to provide a climate which will enthuse and inspire pupils as well as developing the confidence and competency of all pupils to communicate in the foreign language. Interactive pupil to pupil and teacher to pupil target language is a successful feature of the department. The use of the target language in all lessons is a top priority and we work very closely with the University of Cumbria in training new teachers in this methodology. We aim to challenge pupils to reach aspirational targets. Teachers within the department work well within a team to reach these goals. Drawing upon a wide range of exciting and engaging teaching approaches, members of the department are encouraged to develop their own ideas, teaching styles and resources, all of which they share with their colleagues. Academic rigour and high expectations for all pupils underpin all decisions and approaches within the department.

Staff turnover is low within the department. We are seeking to appoint a teacher of French and German at KS3/KS4. We pride ourselves on being a friendly and warm department who work well as a team, into which we look forward to welcoming a new member. Currently, the department is staffed as follows:

Mrs Bianca Burke	Head of MFL/German
Mrs Jill Higham	Head of French/Head of Year
Mrs Jackie Williams	Assistant Headteacher/Teacher of MFL
Miss Hannah Johnson	Teacher of MFL
Mr Matthew Tomlin	Teacher of MFL

Standards and progress in Modern Languages are significantly above national percentages. High standards have been achieved through consistent approaches to teaching and learning, effective monitoring and tracking of pupils and lots of hard work, as well as very high standards of discipline. The Modern Languages Department is a strong team who support each other particularly well. Collaborations within and beyond the Department are a feature of life at Broughton.

We are immensely proud of our track record of success in French and German. Progress is exceptionally strong because of the consistent focus of improving and developing teaching and learning within the department. Very high expectations prevail, and teachers respond positively at the earliest sign of underachievement.

Enjoy and Achieve

There is a great focus in the department on participation in extra-curricular activities. This includes one well-established and popular exchange visits to Bonndorf in the Black Forest. In addition, there is a Year 7 visit to France, a Year 10 visit to Paris and an annual visit to Cologne Christmas markets. There are also opportunities for pupils to get involved in our weekly Film-clubs in French and German.

Facilities

The department has the sole use of four classrooms which are well equipped with screens, four interactive whiteboards and a variety of learning resources – both visual and audio: there is also the opportunity for classes to use ICT facilities, including class sets of laptops.

MFL at Key Stage 3 (Years 7, 8 and 9)

In KS3, Year 7 pupils are organised into mixed ability half year groups and all learn French. From Year 8 students take up their second language (German). Throughout Year 8, pupils have two periods of each language. In Year 9 pupils continue with both languages and are taught over three periods per fortnight. Languages are an option at KS4 and pupils may choose to study either French or German or both. A language is consistently a popular option choice. We currently have 12 classes in KS4.

MFL at Key Stage 4

As previously mentioned, at the end of Year 9 pupils can opt for GCSE French or GCSE German or both languages. Pupils follow the AQA GCSE syllabus. Pupils are allocated five hours across Year 10 and Year 11. For example, 2 hours in Year 10 and 3 hours in Year 11. Pupils tend to be taught in mixed ability classes in KS4.

This is a wonderful opportunity for the right candidate. You are most welcome to make an informal visit to the school and meet the department prior to applying; however, please do not feel under obligation to do so.

Additionally, if you have any questions or would like to discuss the post further, please do not hesitate to contact: Mrs Bianca Burke, Head of Modern Foreign Languages/German

GENERAL INFORMATION

Broughton High School is an 11-16 mixed community high school which caters for pupils of all abilities and backgrounds. The school is situated in a very pleasant location on the northern outskirts of Preston and serves an extensive rural and suburban area. It serves the residential districts to the north of Preston including Fulwood, Ingol, Broughton and Barton, and the rural areas around Woodplumpton, Catforth, Goosnargh and Lea.

At the last Ofsted inspection, Broughton was judged to be an **outstanding school** in every respect:

Achievement	Outstanding
Quality of Teaching	Outstanding
Behaviour and Safety	Outstanding
Leadership and Management	Outstanding
Overall Effectiveness	Outstanding

There are currently 914 pupils on roll (6 form entry – standard number 180) with 56 teaching and 40 support staff, including 6 learning support assistants. Since opening in 1975, the school has established an excellent reputation within the area and is heavily over-subscribed each year.

Over the years we have invested in all our facilities. All teaching areas are equipped with interactive whiteboards and teachers/pupils have access to a wide range of IT devices. Significant investment has been made to improve classrooms and each department is refurbished as part of a rolling programme to ensure that the very best possible resources are available to provide the best possible learning environment. We are determined to ensure that our staff and pupils have access to first class resources, enabling the best possible teaching and learning to take place.

Our reputation is built upon the traditions of high academic standards, within a caring and supportive environment, in which we place great emphasis on standards of dress, behaviour, attendance and punctuality. We have high standards and expectations and, through a culture of self-evaluation and improvement, we aim to continue to raise our standards and to improve the quality of education for all our pupils.

Broughton undertakes a leading role in the Preston Primary and Secondary Alliance. As such we have been heavily involved in Initial Teacher Training, CPD and School to School support, placing emphasis on collaboration and working cooperatively with all the other 40+ primary, secondary and special schools in the Alliance.

The school recognises and values the work of all its teaching and support staff and sets out to provide a supportive programme of appropriate professional development. This is central to promoting pupils' effective learning experiences, generating self-esteem and enhancing job satisfaction.

The school has built up a strong academic tradition and enjoys an excellent reputation within the community and with local 16+ educational establishments. The percentage of pupils gaining 5 or more Grade 9 - Grade 4 GCSE passes has consistently been higher than both the county and national averages. In 2021, 89% of pupils gained at least a Grade 4 in GCSE English and Maths.

The school offers a broad and balanced curriculum for pupils in both key stages. At Key Stage 3, in addition to the statutory requirements of the National Curriculum, the school delivers Business Studies, Drama and Personal, Social, Citizenship & Health Education. On admission to the school, pupils are placed in mixed ability tutor groups based upon information received from primary schools. From September 2020, we have moved away from strict setting (1-4 or 1-7) to pupils being allocated a more appropriate teaching group. Pupils of 'middle ability' are now mixed much more evenly.

At Key Stage 4 pupils follow examination courses in the compulsory core curriculum of Maths, English (Language and Literature) and Science together with other various option courses. Whilst we encourage pupils to pursue EBacc subjects, we do not insist on this.

Pupil support, guidance and welfare are a high priority within the school and as such, the school fully recognises the contribution it can make to protect children. The school's Child Protection policy complies with both local and national guidance and is communicated to teaching and non-teaching staff, governors and outside agencies all of whom have a child protection role. A key figure is the Progress Tutor whose responsibility is to know their pupils as fully as possible and to provide appropriate care and support. Progress Leaders are responsible for the leadership and co-ordination of the work of Progress Tutors.

Life at Broughton is not confined to academic study. Pupils have the opportunity to participate in a wide range of extra-curricular activities. The school has excellent sporting facilities and pupils enjoy a wide range of sporting activities both internally and in regular competition against other schools and colleges. Music and drama activities are popular with pupils of all ages and regular productions are very well supported. Other activities include Young Enterprise, Duke of Edinburgh Award Scheme, fieldwork and exchange visits to other countries.

We encourage community involvement and the school enjoys the active support of the Parents, Teachers and Friends Association who organise a programme of activities for pupils and parents throughout the year as well as providing financial support for numerous school projects.

The school operates a total non-smoking policy (buildings and premises) and our child protection policy and practices are enforced vigorously in order to protect the welfare of our pupils.

I hope that this information gives you a flavour of life at Broughton. We believe that this is a school with its own unique "family" atmosphere and ethos. You are warmly invited to come and visit us and experience it for yourself.
