Dear Applicant

## **APPOINTMENT OF DEPUTY HEADTEACHER**

Thank you for expressing an interest in the position of deputy headteacher at Northfold Community Primary School.

Northfold is a one form entry community primary school situated on the Fylde coast in a residential area. From January 2022, it has shared its site with a small campus from Red Marsh Special School in a separate building next door.

The school endeavours to provide a well-balanced education, developing attitudes of tolerance, fair play and conscientious application to work. Every effort is made to provide each child with a firm foundation before moving on to High School. All children are treated as individuals and are encouraged to develop at the pace appropriate to them but with ambitious expectations for their outcomes.

Children are actively encouraged to participate in all aspects of school life and, as well as the various after school activities available, there is also a very active and enthusiastic Rota Kids Council.

The Governors are keen to appoint an experienced leader with the determination, enthusiasm and skills to move our happy, family-friendly school forward and make a difference to the lives and learning of our children.

In return, we will offer the support and dedication of loyal, hardworking staff and governors, who are committed to the well-being of all our pupils and providing them with the best possible education.

We hope you will take the opportunity to learn more about the school through our website (<https://www.northfold.lancs.sch.uk>) and we will welcome you to visit the school for a look around.

Yours faithfully

Brian Eden  
Chair of Governors

"Where children come first"
