Headteacher: Miss Anna Smith

6th September 2022

Dear Colleague,

Thank you for showing an interest in the KS2 class teacher position at Burscough Village Primary School. You have definitely made a good choice to read more about our amazing school.

We believe that everyone is unique and has special talents which we foster within an enriched and diverse curriculum. Educational experiences should be creative, interactive, challenging and specific to individual needs. We are looking for a teacher to strengthen our team by inspiring and supporting children, parents, staff and the whole school community in order for them to fulfil their aspirations.

We continuously work hard to improve our school to provide the best education and opportunities for our children. We were proud to be graded as 'Good' in all areas during our most recent Ofsted inspection. The candidate must be highly motivated and driven to ensure standards are maintained and further developments are made with this year's school improvement targets.

The candidate should have excellent knowledge and understanding of teaching in Keystage 2. The initial position will be to teach year 4. They should be able to plan and deliver Good and Outstanding lessons across the curriculum.

We are seeking a PE subject leader to enhance our PE, sport and mental health provision. The sportsperson should have a passion for PE and Sport and be able to work as an effective member of a team. This is an opportunity for someone interested in developing their whole leadership skills in a new school setting. Although the position will not have a TLR responsibility we will provide middle leadership training for the successful candidate.

The teacher must be very committed, enthusiastic and show great initiative. We encourage our children to have a true love of learning so we are looking for a teacher who can provide that 'wow' factor. They should also be able to make a positive contribution to the wider life of Burscough Village Primary School.

The governing body is thorough in its approach to safeguarding and promoting the welfare of our children. The post will be subject to DBS-enhanced clearance.

In addition to the information enclosed we recommend that you explore the school website which provides a flavour of our school or come and see us in action on the chosen dates. We hope that this will give you an indication of the scope and range of opportunities that the post offers.

We look forward to hearing from you and receiving your application by 9.00 am on the closing date on Friday 30th September.

Yours sincerely,

Miss A Smith

Headteacher
