Full-time teacher

Maternity leave cover from 16/01/2023 to 31/08/2023

Walton Lane Nursery School caters for over 100 children who attend on a part-time basis. Places are offered flexibly to suit families' needs. We work collaboratively with the Rocking Horse Club who provide the 30 hour provision, paid education and care for children aged 0-5. Childcare for 3 and 4 year olds is fully integrated with the nursery school provision and families are able to access high quality care and education together.

The centre has a good reputation for working with children with special educational needs and disabilities. The individuality of the child and their family is central to the school's ethos and curriculum delivery. The daily routine is organised so that there is a balance between child led and adult initiated activities, enhancing the children's involvement in their learning journey. We aim to provide a fun, safe and stimulating environment, based on children's play and their interests.

Walton Lane Nursery School and Rocking Horse Club are always looking at ways to improve, we are involved in the DfE Early Years Professional Development Programme, we are participants in university research studies and we are always keen to embrace early years research and new ideas that benefit our children and families. We were judged outstanding in our last school inspection in November 2021.

The Headteacher and governors are seeking to appoint a full-time teacher to join our nursery school team. The post is to cover a maternity leave from 16/01/2023 to 31/08/2023. This post would be ideal for someone who loves teaching young children and is keen to develop exciting learning environments and opportunities for all children.

Visits to the school prior to application are highly recommended. Please contact the school to arrange a visit.
