Maternity Cover for a Year 4 Class Teacher, starting 27th March 2022

I would like to thank you for your interest in the position of class teacher at Woodlea Junior School. The successful applicant will join our enthusiastic, hardworking team and have whole class teaching responsibility.

Woodlea is at an exciting time on our next stage of growth and development. We are looking for someone who will inspire and challenge our children to grow intellectually and culturally, and to be endlessly ambitious for them.

Woodlea Junior School is an above average-sized school with 249 children on roll and our numbers are ever increasing. Our children are taught in 8 classes; two per year group, which are mixed ability.

Children at Woodlea benefit from being part of a school family where they feel secure, valued and cared for. Our children enjoy studying a wide, varied and rich curriculum and we aim to provide the children with opportunities to support the community they live in and people they live amongst. The wider community includes supportive parents and governors, who are knowledgeable, supportive and play an active role within the life of the school.

We are looking for someone who is committed to securing high standards of teaching and learning, has a positive influence and are passionate about making a difference to all our children at Woodlea, enabling them to grow ambitions by unlocking their potential.

Without exception, everyone who visits Woodlea Junior School is impressed by the warm welcome they receive. They comment on the behaviour and respectful manner of all our children and the clarity of our aspiration for all at Woodlea.
