Dear Prospective Applicant

Thank you for showing an interest in our school and the advertised post of Deputy Headteacher.

At St Paul's we put the child at the heart of our school. We believe in empowering children, giving them a voice and taking their thoughts and opinions into consideration in our decision making. Our philosophy is rooted in our belief that we are all created in God's image; that we are all equal in His sight and that we all belong to Him. These values underpin our work.

In living out our vision we strive for excellence in everything we do, and, although we often fall short, the school has, and is, achieving wonderful things. Our children and staff are happy and work together to create a harmonious and inclusive environment where everyone feels valued and special. Everyone works hard to be the best they can, while not forgetting to have some fun along the way. Our children achieve well making excellent progress from their starting points and attaining in line with national figures at the end of KS2.

As governors we are very proud of our children and staff. We take a keen interest in the school and its progress; visit as often as we can and do all we can to support staff and children to develop and grow. We are looking to appoint someone who can continue to work with the Headteacher to build on our many successes; further develop the work of the school and contribute to our standing in the community. We have high expectations of our school leaders and in return offer an excellent salary; opportunities for development and support for career progression.

If you feel this is the right post for you we would welcome your application and a chance to further explore possibilities at interview. Please find time to visit the school before making your decision to apply.

Regards

*Chris Haworth*
