

St Thomas' CE Primary
School

St Thomas Road
Lytham St Annes
Lancashire
FY8 1JN

Dear candidates,

We are looking for a new Deputy Headteacher who will help our school move forwards and continue to grow. Our school is in a beautiful location near the sea with our own forest school area, field, exciting playgrounds with purpose built play equipment.

We are looking for someone who likes children, is kind, honest and hard working. We have a lot of traditions at St Thomas' but we would welcome new ideas from you to enhance our school. We need you to be good at solving problems and working together with children and families that need help and support. At our school, everyone cares and we follow our Gospel values which help us to be at the best that we can be. Children are hard-working, enthusiastic and have a good sense of humor - we need you to have the same qualities.

We care about the environment and are an Eco-school. We regularly litter pick around school and on the beach. Our Eco Warriors work to make sure we are looking after our planet and they encourage others to help too. Our school Council support our local and global communities. We help people in need at Christmas we organised a coat collection. This term we have led Fairtrade Fortnight and encouraged our school community to support fairtrade.

We really hope you choose to apply to be our new Deputy Headteacher and everyone at the school looks forward to meeting you!

Yours sincerely,

Abbi and the School Council
