

Overton St. Helen's C.E.School

'Surrounded by God, we inspire hearts and minds through learning, faith and love'

Dear Candidate,

On behalf of Overton St Helen's, thank you for showing an interest in the advertised Deputy Headteacher post at our school.

The governors, pupils and staff of Overton St Helen's CE Primary are seeking to appoint an enthusiastic, dynamic and inspirational deputy head teacher who will work alongside the head teacher and be a key member of our school family, continuing to build upon our achievements. We are looking for someone who can help share our vision; who will be committed to our school pupils in keeping them safe, support their development, nurture their wellbeing, inspire a love of learning, broaden their knowledge and ambitions and let their lights shine.

We are looking for someone to join our team from September 2023 as our existing deputy head moves on to take up their first headship.

Overton St Helen's is just under the average size of a primary school with currently 177 pupils on roll, organised into six classes. We operate single aged classes in Reception, Year 1 and Year 2 and mixed age classes in Key Stage 2. We have a fantastic team of 24 experienced staff who are hardworking and dedicated to nurturing and inspiring pupil development.

We are an Outstanding Church of England school; our strong Christian Values permeate our curriculum and policies. We enjoy strong links with our local church and village and seek to serve our community at every opportunity. We are very proud of our school; it is a happy place for learning, and is warm and welcoming to all. At our recent Ofsted inspection at the beginning of March, it was recognised that our school relishes a sense of fun. Learning is engaging and active and we seek to enthuse all our pupils by nurturing an eagerness to be at school.

We are extremely fortunate to be situated in the beautiful village of Overton, near the coastline of Morecambe Bay and Sunderland Point. The school enjoys extensive grounds including an amazing Forest School area which we seek to use as much as possible. We relish learning outdoors and look for many opportunities to use our local area and environment to learn.

We very much welcome prospective candidates to visit our fantastic school and meet our wonderful children and staff, please contact our bursar to arrange a visit. If you feel you would like to be considered for the position we would be delighted to receive your application.

Yours sincerely,

Mr WA Mashiter
