

Overton St. Helen's C.E.School

'Surrounded by God, we inspire hearts and minds through learning, faith and love'

To our 'Maybe Future Deputy Head Teacher',

Thank you for being interested in becoming our new Deputy Head Teacher.

The pupils at Overton St Helen's are really proud of our school and we would like to tell you a little bit about it and what we think are important qualities in becoming our new Deputy Head.

At Overton we consider ourselves a big family who love and take care of one another. We would like a Deputy Head who will become a member of our school family and help take care of us. We really enjoy events such as World Book Day (we love reading at Overton), summer and Christmas fairs, charity days, athletics and sports competitions and other exciting things. We also have a traditional Rose Queen Festival at the end of every school year which is really important to our school and our community.

We think our new Deputy Head should be someone who:

- is fair and enjoys spending time with children
- is kind and caring, enthusiastic, respectful and hard working
- is good at cheering people on so that pupils and staff feel encouraged
- understands other people's needs and differences
- is wise and knowledgeable and can teach us new things
- likes sports and can help us take part in competitions, knowing that it is the taking part that counts (and sometimes the winning!!!)
- can form good relationships with pupils and other teachers so that we can all feel comfortable, safe and happy in each other's company

Our school environment is very important to us. We have a fabulous Forest School area and like to learn about how to look after it, our school grounds and our village.

Thank you for reading and listening to our thoughts. Have a good day,

Overton St Helen's CE Primary School Council
