October 2023

Dear Applicant,

We are looking for an enthusiastic new Head Teacher to come and be part of our Baines Endowed family. As a Student Council, we have thought about things that are really important to us and our school and we would like to share a list of things we are hoping for in a new Head Teacher:

- Someone who is kind and generous
- A problem solver
- Someone who checks that everyone in school is safe
- A person who is firm but also fair with their decisions
- A calm person who we can talk to about any problems
- Someone who is level-headed
- A very organised and hard-working person
- Someone who would be happy to come to school before they start for a 'Welcome Day'
- Someone who would be interested in entering lots of sports competitions and events.
- Someone who is keen to ensure our learning is fun and challenging.

We love coming to school and we try our best in everything that we do! If you feel that you could work in our amazing school and be a special part of our learning journey, we would love for you to come and look around Baines to see the wonderful things we get up to.

We look forward to meeting you.

Baines Endowed School Council
