Dear Applicant,

Thank you for showing interest in applying for the teaching positions at Mayfield School.

The governors are seeking to appoint two experienced, highly motivated, passionate, inspirational, and enthusiastic teachers. This is a great opportunity for the right candidates to join our team. We pride ourselves on nurturing our pupils and providing a one-size-fits-one approach to learning that enables our young people to reach their full potential. We provide a safe, happy and regulated learning community, where together we empower pupils to develop key skills for life.

We allow our children to lead the learning at each key step of their journey, and our common principle throughout is to think about how we can help them achieve the maximum independence and meaningful skills for life beyond the classroom, across each stage of their learning journey and into adulthood. The key to our success lies in the fantastic knowledge, passion and commitment of the experienced staff team. Nothing happens in isolation and everyone's contribution is valued. Our knowledge of each pupil's needs and focus on developing learning shines through all we do.
