Dear Applicant

Appointment of Full Time Class Teacher

Thank you for expressing an interest in the position of class teacher at Greenlands Community Primary School. Our school is situated in the heart of Preston. We currently have 200 children on roll from the ages of 4 to 11. We believe that the special feel at Greenlands is to do with our caring, friendly atmosphere and our motto is that we are 'Here to Learn Happily.' The happiness, wellbeing and personal development of our children is paramount to us. We believe in encouraging each child to achieve their full potential and become responsible and independent citizens. Our desire is to offer the best possible education for our pupils in partnership with parents and the local community.

The governors are keen to appoint a class teacher with the determination, passion and skills to continue to support the progress of our caring and happy school, making a difference to the lives and learning of our unique and wonderful pupils. In return, we will offer the support and dedication of loyal, hardworking staff and governors, who are committed to our pupils and providing them with the best possible education.

Greenlands Community Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

We hope you will take the opportunity to learn more about the school through our website. We would encourage you to arrange a visit to look around school in person. Please contact Mrs Silvester on 01772 792463 to arrange a visit.

Yours sincerely

S Cornwell
