

Central Lancaster High School

Teacher of Food Technology & IT (1.0 FTE)

Dear applicant,

Thank you for your interest in joining the community at Central Lancaster High School. Central Lancaster is part of The Bay Learning Trust, a community of like-minded schools. We serve our community to enable pupils to flourish and achieve excellence. The Trust was established by Ripley St Thomas Church of England Academy in 2017. You can find out more about our Trust by visiting our website: [The Bay Learning Trust](#)

We are a small and friendly secondary school at the heart of our community. Our core values of Commitment, Creativity and Community are central to all that we do. We have high expectations and aspirations for all of our young people and they are incredibly receptive and are willing to learn and work hard.

This is a very exciting time to join our school as we near the completion of phase 2 of our £8 million new build. The technology department occupied the ground floor of our phase 1 new building with brand new workshops, IT facilities and a food technology room that opened to pupils in September 2023.

You will be a classroom practitioner with a record of excellent outcomes for pupils in your care. The ideal candidate will have a passion for supporting **all** learners in fulfilling their potential.

In return we can offer you excellent training and development opportunities across the Trust and a friendly and welcoming staff. If you would like to have an informal, confidential conversation about the role, please contact us on recruitment@lancasterhigh.lancs.sch.uk

Yours faithfully,

John Cowper
Executive Headteacher
Central Lancaster High School
