

Britannia Community Primary School

11th November 2024

Dear Applicant

Thank you for your interest in the 0.6 maternity cover in Year 1 at Britannia Community Primary School. This post will be from January 6th 2025. Our school is a forward thinking innovative school and we are pleased to have been recognised as a 'Good' school but we are not complacent and are now striving to make further improvements for our children and community. The majority of our children are drawn from the local area, and we are proud of the position we hold as an important part of the local community. The current number on role is a healthy 209 with the children distributed evenly across the classes.

Our families are extremely supportive of the school and its work, resulting in a school population that is well-motivated and interested. The children at Britannia would like to have a new addition to school that makes learning fun, is friendly and caring and will help them to make progress with their learning.

All members of our school community are proud of the developments we have made so far and are excited about the future at Britannia. The school strongly believes teaching and learning to be its primary function and continuously strives to maintain high standards for all. Members of staff are fully committed to the school and its work to drive school improvements. Continuous professional development is valued and we have staff development systems fully in place to help teachers and support staff within their current posts and to assist those who aspire to future promotion.

The Governors are seeking to appoint highly motivated, passionate and inspirational teachers who are committed to raising standards and are able to work as part of a team.

Please forward applications to bursar@britannia.lancs.sch.uk by the 25.11.24 and shortlisting and interviews will take place shortly after.

I look forward to reviewing your application.

Yours faithfully
Mrs N Longstaff (Headteacher)
