Dear Prospective Candidate,

Thank you for taking the time to consider applying for the post of Key Stage 1 teacher at St. Francis' Catholic Primary School. The post is advertised for an inspirational teacher who will join our highly creative school team. The successful candidate will teach in a mixed class of Year 1 and Year 2 children.

St. Francis' is a thriving and forward-thinking school where our children, their families and the Church are at the heart of everything we do. Our children are enthusiastic, eager to learn and well supported by their families. One of our main aims is to make a real and lasting difference to the lives and opportunities of the children and their families within both our school and the wider community.

The post advertised is for a passionate teacher who has excellent knowledge of the KS1 National Curriculum. As a small community, we are looking for a teacher who will love and nurture our children. We work as a team to ensure home, school and parish provide the best possible care and education for all of our children. We encourage our staff and pupils to be the best that they can be in all aspects of their lives as children of God.

Visits to the school are very much encouraged. For a tour of the school, please contact the school office on 01772 865369 and speak to our Business Support Officer Mrs Nuttall to arrange an appointment.

The successful candidate will join our enthusiastic and dedicated staff team in maintaining and enhancing the very high expectations and standards that are fundamental to our school.

May I wish you every success in your application.

Yours faithfully,

Miss S Deakin
Executive Headteacher
