

# LYTHAM CHURCH of ENGLAND PRIMARY SCHOOL

Park View Road, LYTHAM, Lancashire, FY8 4HA. Telephone: (01253) 736900

Executive Headteacher: Mr S Booth

To whoever is reading this letter, we would like to tell you about our lovely school, what we are all about and what we would like in a Headteacher. Pupils in our school are very respectful, welcoming and kind to everyone.

We feel happy, safe, cared for and listened to by all the staff.

We have pupils who take responsibilities such as heads and deputies, school house captains, worship leaders, anti-bullying ambassadors and playtime leaders.

We have a buddy system between year six and reception children and this is the best ever!!!

We have a school council where we vote for things in our school such as which charities we will be supporting each year.

We feel we have a really fair behaviour bearstalk and we love the house point system.

We also really enjoy representing our school in various sports events in the area.

We are really excited to welcome a new Headteacher to our school. We would love this person to be kind,

respectful, happy, funny and enthusiastic.

Someone who is passionate about children.

We would like them to be seen around school, popping into classes and knowing all our names.

We would love it if occasionally the Head could come on trips with us and attend sports events.

We know you will have been a teacher and feel it would be great if you could still teach us sometimes.

We think it is important that the Head has a good connection with our churches and will do worship often.

The most important thing is that this person loves their job, wants the children and staff to be happy and wants the best for our school.

We look forward to welcoming you to this lovely school family.

Holly Ainslie (Head girl)  
and the pupils of  
Lytham C of E.
