

Assistant Subject Leader for Maths

Location: Ss John Fisher & Thomas More RC High School

Contract Type: Full-time, Permanent

Start Date: ASAP

Salary: MPS/UPR + TLR2B (£5,351)

Closing Date: 12 noon on Thursday 13 February 2025

About us:

At Ss John Fisher & Thomas More RC High School, we are committed to providing an enriching educational experience that empowers our students to reach their full potential. We pride ourselves on fostering a nurturing and dynamic environment where both staff and students thrive. We are looking for an enthusiastic and dedicated Assistant Subject Leader for Mathematics to join our team.

Role Overview:

We are seeking a passionate and experienced Assistant Subject Leader for Mathematics to support the Subject Leader in driving the vision and strategic direction of the department. The successful candidate will be instrumental in promoting high standards of teaching and learning, ensuring a positive educational experience for all students. You will work collaboratively with teaching staff to implement innovative practices that inspire students to engage in the subject area.

Key Responsibilities:

- Assist the Subject Leader in developing and implementing the Maths Curriculum, ensuring it meets the needs and interests of all the students.
- Support the planning and delivery of high-quality lessons that encourage student engagement and achievement.
- Monitor and evaluate student progress, implementing intervention strategies to support those may be underperforming.
- Lead on specific projects or initiatives within the department to enhance teaching and learning.
- Contribute to the development of departmental policies and procedures, ensuring they reflect best practices and respond to changes in educational legislation.
- Support the professional development of staff within the Math department, sharing best practices and resources.
- Liaise with parents, guardians, and the wider community to promote students' learning and progress in Mathematics.

What are we looking for?:

- A qualified teacher with a strong background in Mathematics and a passion for the subject.
- A commitment to high standard of teaching and learning and a belief in the potential of every student.
- Strong communication and interpersonal skills, with the ability to inspire and motivate others.
- A creative thinker with the capability to enhance curriculum delivery and engage students.
- A team player who will work collaboratively with colleagues to achieve departmental and school goals.

Why Join us?:

At Ss John Fisher & Thomas More RC High School, you will be part of a supportive and collaborative environment where your ideas and contributions are valued. We offer ongoing professional development opportunities, a commitment to staff well-being, and the chance to make a real difference in the lives of our students.
