Dear Colleague

Thank you for taking an interest in our teaching vacancy at Goosnargh Oliverson's Church of England Primary School. We are situated about 5 miles north of Preston and we serve the village and surrounding rural community. Oliverson's is a one-form entry school that also has a nursery and wrap-around care based on our site. The school offers a vibrant working environment, with extensive outdoor space.

On behalf of the staff and governors, I will ensure that the successful candidate will be given a really warm welcome and the opportunity to grow professionally in a school where learning and fun are at the heart of what we do. Oliverson's Church of England Primary School is at the centre of the community and we are very proud of the strong Christian ethos that underpins all we do.

The school enjoys a good reputation in the community and achieves considerable success in sporting activities and performing arts. We have marvellous children and adopt a caring family ethos where everyone is valued. We are immensely proud of all children, staff and families and of our achievements.

This is an exciting time to join the school and offers an excellent opportunity for an ambitious candidate. We need someone who is passionate about making a difference to the lives of young children. Our children and staff are amazing and we are ably supported by parents and our community.

If you have the relevant skills and experience and are looking for an exciting opportunity in a thriving and happy school, we look forward to receiving your application. If you have any queries or would like to discuss the role further, please contact me on the number below.

Yours faithfully
