

Fulwood, St Peter's

TO START IN SEPTEMBER 2025

WANTED

AN INSPIRING HEADTEACHER

WHAT WE WANT!

We are searching for someone kind, compassionate and respectful to lead our school and guide us to succeed. We need someone encouraging to support us to become independent members of the community.

We are looking for someone who is courageous, who will continue to provide our pupils with learning opportunities that will shape us into 'wide-minded' decision makers.

WHAT WE CAN OFFER

Children that are smart, happy and respectful.

Supportive church links.

A wealth of physical space including an outdoor worship area, an area for learning through nature, well-equipped computer suite, two established reading libraries for KS1 and 2.

Staff that are committed, enthusiastic and compassionate.
