Dear Applicant,

Thank you very much for your interest in the teaching position at our school. The governors of Euxton C.E. Primary School are seeking to appoint a motivated, passionate and caring Assistant Headteacher from September 2025.

We are an outstanding, successful and happy school. Exceptionally well behaved and highly motivated children, alongside incredibly supportive colleagues, parents and governors, would make you feel very welcome. We have high expectations and we want someone who is going to take a real pride in their work and love being part of our school family.

This is an exciting opportunity for a teacher who is ready to move to the next stage of their career and further develop their professional skills. In exchange we will offer you an opportunity to grow and develop your leadership skills. We will empower you in your growth and support you through learning opportunities and developments.

As Assistant Headteacher, the successful applicant will play a key role in ensuring the effective implementation of our school curriculum, working closely with subject leaders to monitor teaching and learning, as well as ensuring regular liaison with link governors. They will also work as part of the senior leadership team to develop and embed assessment practices in order to monitor the impact of the curriculum for all children.

The post is also class-based and the appointee will teach a Key Stage 2 class. The successful applicant will have a proven track record as a highly effective classroom practitioner and will be equipped to support and develop the school's Christian ethos and distinctiveness.

Our website www.euxtonceprimary.co.uk is full of information for you to have a look at and I am also more than happy to show you around our lovely school. Please telephone the school office to make an appointment.

I look forward to hearing from you.

Mairi Ash
