

WE ARE HIRING - CLASS TEACHER

Are you looking to work in a school where the whole team genuinely, genuinely work their socks off but look after each other, laugh a lot, enjoy their job and achieve AMAZING things for children?

We are looking for a teacher who:

- is determined, driven and ambitious, for themselves, but also the children they teach
- values the 'whole child', their family and their community
- is open minded, non-judgmental and willing to put themselves in 'someone else's shoes'
- wants to develop themselves; someone who can have whole school impact, beyond their own classroom
- thrives on positivity, is friendly and who doesn't see asking for help, or accepting areas to develop, as a barrier to their own learning
- is passionate about encouraging children in KS2 to learn, through a superb learning environment and exciting experiences!
- Is utterly committed to ensuring all our children make the very best start to their lifetime learning journeys

In return, we will offer you:

- a very friendly, supportive and skilled staff team
- the happiest, most loving children – our Delph Siders!
- open-door classrooms where colleagues help one another, happily, openly, without judgement
- the opportunity to try new approaches and ideas, with the scope for error, which we learn from
- the chance to lead – we are all leaders, at all levels
- superb SEN support
- a relentless drive for excellence, an exciting 'next step' in the school development always around the corner
- a beautiful environment, inside and out
- a school with multiple dimensions...The Lake, The Studio, The Hangout, The Hub, The Forest, The Loft and The Pantry coming soon!)

For an informal discussion please contact:
Liz Ormerod, Headteacher (01695 721881).

Applications and cover letter to:
Jo Whitfield, bursar@delphside.lancs.sch.uk
