Dear Applicant

On behalf of the governors, children, parents and staff, I would like to thank you for your interest in the post of headteacher at Bradley Nursery School.

Our school is a vibrant, exciting place where children ages two to four years are welcomed, along with their parents and carers. Many of our children are learning English as an additional language. The school admits children each term and there can be up to 240 children by the summer term. Some children attend for full days. Children are split into three class bases and each class is teacher led. We really value outdoor learning, which is complemented by our wonderful nature area.

Bradley Nursery is a friendly, welcoming place and is highly regarded by the local community. Governors are supportive, staff are enthusiastic and children, family and community are at the heart of everything we do.

We would welcome visits to the school prior to making an application. Please contact the school office on 01282 615183.

We look forward to reading your application.

Yours faithfully

Sue Nike
