School Information

Bleasdale School is situated in Silverdale, Lancashire. The school consists of 2 buildings, situated across the road from each other. One building is the day School and the other is the residential building which also houses our swimming pool and Rebound therapy room.

Although we mainly cater for up to 59 pupils with Profound and Multiple Learning Difficulties (PMLD) our pupils are increasingly becoming more complex. We now have pupils with ASD, Pupils with SLD, pupils with SLD and physical difficulties and pupils who have quite challenging behaviours, yet still falling within the lower quartile. The skills and expertise of all the staff have increased considerably. We have a child centered approach and promote individual achievement and independence. We celebrate our pupils' successes no matter how small or big these may be. This has been recognised with the Outstanding Ofsted Grades over the past 5 inspections (both Education and Care Standards). Currently we offer provision for 2-19 yr olds.

Our aim is to support pupils through their journey to adulthood, leaving school as independent as they can be and ready for the next stage of their lives. We work closely with parents to achieve this and adopt a true multi-agency approach with other services including nurses, therapists, social care, positive behaviour and Early Help team amongst others. Our curriculum is designed to support this goal.
