

March 2025

Dear Applicant,

On behalf of the Governors of Lytham Hall Park Primary School, I would like to thank you for your interest in the position of class teacher. The posts are temporary teaching positions to cover maternity leaves starting September 2025. The posts will potentially be based in key stage 1 or key stage 2.

Lytham Hall Park is an over-subscribed community primary school catering for over 400 children between the ages of four and eleven years. We are a school housed in a modern building, with beautiful grounds, which we use regularly. We have a forest school onsite which is led by a member of our team. We are a two-form entry primary school with an admission number of 60 pupils each year.

There is much to be proud of within Lytham Hall Park but also an appetite to continue to grow and improve. We have a staff team who endeavour to create in our children a true love of learning.

"Your love of learning is infectious. You have established a team that is full of energy and drive." OFSTED Jan 18

"Pupils excel at Lytham Hall Park School. They live up to the high expectations that leaders and staff have of them." OFSTED Oct 21

We offer a school where the ethos is securely in place to ensure a very positive working environment. We are a strong and supportive team. We love learning, the learning we see our children engage in each day and also our own learning and development. If you join us, we will ensure you benefit from high quality professional development opportunities, this is something our school is passionate about.

We have established a strong, values based ethos and this is the ethos we would ask any teacher who joins our school to embrace – we are a caring school where every child and every family truly do matter to us. Our children are often academically able and need a curriculum, which is broad, interesting and challenging. We welcome innovation but also place great value in the traditional elements of school life – good manners, perseverance and hardworking attitudes. Important qualities in creating a calm and orderly environment.

Our most recent (October 2021) OFSTED report states, *"Pupils' behaviour is exemplary. Their conduct in lessons and around school sets the tone for a happy and calm school where pupils can flourish. Pupils can get on with their work without any interruption."*

We encourage you to visit our school and see it in action. If this is not possible then do look at our website and blogs. You will find a virtual tour of our school and examples of our learning.
