Dear Applicant,

As the School Council, we would like to share our ideas about the kind of Headteacher we want for our school and also what we can give you in return.

At Coppull Parish we believe in kindness, understanding, and living out our Christian values every day. We are looking for a Headteacher who is compassionate, helpful, and a good listener—someone who genuinely cares about students and everyone in the school family. A sense of humour is also very important to us, and we hope you are prepared to laugh and enjoy your time with us. We want a leader who will celebrate our successes, both in and out of school, and encourage us to be the best versions of ourselves.

In return, we promise to welcome you into a school full of kind and hardworking children. We are responsible, well-mannered, and polite, always striving to do our best. More than that, we are a close-knit Christian family, and we will support you just as you support us. Who knows? We might even teach you a thing or two along the way!

We would love the opportunity to meet with you soon to share our ideas, discuss our hopes for the future, and hear about your vision for our school. We are excited about the journey ahead and look forward to meeting you in school. Please come and visit us so we can show you our amazing school!

Kind regards,

Iddle
