Deputy Headteacher: Mrs S Cookson BA Hons

Dear our new Headteacher,

Thank you for sharing an interesting in our amazing school. Hoole St Michael is a very special place to us. It is a place where we can come and be ourselves, as our school is like a family. Our education is very important to us and we take our learning seriously. We also love to be active! Sport, keeping healthy and our mental health are also very important. Our teachers have the right balance of keeping learning fun but making sure we work hard and achieve our very best. We are not perfect, but we always strive to work hard and show the best of us.

We would like someone who:

- Treats us all as individuals as we are all different.
- Will understand school and the people in it.
- Gives everyone fair opportunities.
- Encourages our lessons to be fun and exciting.
- Listens to our voice and supports us in making changes.
- Is proactive and will get involved in all areas of school life.
- Values the outdoors and continues to plan lots of exciting learning for us using our beautiful grounds.
- Is organised and plans visits for us to new places.

We look forward to welcoming you to our school.

Yours sincerely,

 Aubre
