## KS2 Class Teacher with TLR 2.1

Dear Prospective Candidate,

Thank you for your interest in the permanent KS2 Teaching position with TLR 2.1 at St Laurence's CE Primary School. We are proud to be a caring and welcoming Christian school where children are at the heart of everything we do.

St Laurence's is a thriving Christian school situated in the market town of Chorley, with a unique setting adjacent to Astley Park, in the Diocese of Blackburn. There are currently 202 pupils on role between the ages of 4–11. Our school is an inclusive community where every child and member of staff matters. We are committed to helping all pupils and staff fulfil their potential, both academically and personally. Our dedicated and enthusiastic team works tirelessly to provide the very best education and to create a love of learning that inspires every child.

We are fortunate to have highly supportive parents, a committed Governing Body, and strong links with our church and wider community. Visitors often comment on our warm, welcoming environment, and we take pride in the positive relationships we build with all members of our school family.

We are looking for an outstanding, experienced class teacher who brings energy, enthusiasm, and a commitment to excellence. As part of the school leadership team, you will play a key role in driving continuous school improvement and shaping the future of our school. Please highlight any leadership or management experience in your application.

If you have the skills and passion to deliver inspirational teaching, ensure rapid progress for our pupils, and help every child shine, we would be delighted to hear from you. We warmly encourage you to visit our school to meet our staff and children.

We wish you every success with your application and look forward to receiving your application.

Yours Sincerely,

*E. Marquis*

Mrs Emma Marquis  
Head Teacher
