**Headteacher: Mr M Mitchell**

Dear Sir/Madam

I am currently part of the wonderful Year 6 class at Seven Stars Primary School. I want to introduce myself and to share a pupils perspective about what makes our school the most special in our area and what we hope the future of Seven Stars will look like.

Our school offers many good qualities including our values, which are shown to all teachers in our community. The values we show are also known as the 3 bes which stands for be safe, be respectful and be ready, all of these are very important so other pupils will know what to do and how to act.

At Seven Stars, there are high standards for teachers and pupils. I expect a kind, respectful teacher or TA if we show kindness and respect. I believe that none of my peers wants a very strict teacher, I want a teacher that would react calmly to something small and to act cross to something big. I want a teacher that tries to make lessons fun but can also keep everything in control.

We are a family and we would very much like you to be part of it.

Yours faithfully

A. Pupil
