Headteacher: Mr Daniel Hargreaves

Dear Our future Headteacher,

As an excited and curious School Council, we have been discussing what qualities we would like our new Headteacher to have. We wanted to share with you some of our thoughts and ideas, which we believe will continue to make Bolton-le-Sands a fantastic place to be.

As a school, we have four core values that are very important to us and we hope our new Headteacher will share and uphold these values as much as we do. These values are:

Trust – “My God is my strength in whom I trust.” (Psalm 18:2)

Courage – “Be strong and courageous; do not be frightened or dismayed for the Lord your God is with you wherever you go.” (Joshua 1:9)

Honour – “Be devoted to one another in brotherly love. Honour one another above yourselves.” (Romans 12:10)

Respect – “Do to others what you would have them do to you.” (Matthew 7:12)

In addition to these values, we hope you will also be:

- Funny and able to make us laugh
- Enthusiastic
- Kind and caring
- Sporty and active
- Helpful and supportive
- Balanced - not too strict but not too soft either
- Creative and enjoy exploring

We also hope that you will:

- Help us buy new equipment for our school
- Still let us have discos and celebration worship
- Support our local community
- Ensure there are plenty of clubs and opportunities for us to take part in competitions
- Take part in the extra-curricular activities with us
- Take care of our school garden and beehives
- Lead exciting and interesting worships
- Listen to both staff and children
- Be open to new ideas
- Get to know our names and understand who we are!

We hope you'll consider visiting us to see just how wonderful we are before deciding to apply!

Yours faithfully,

The School Council

Bolton-le-Sands C of E School

With God at the centre, we reach out to support each other in learning, growth and community.
