Dear Applicant,

I am delighted to welcome you to join our school community and invite you to apply for the role of HLTA here at Shakespeare Primary School. If successful, you will be joining a team of caring, hardworking, and innovative professionals who are deeply committed to improving the life chances of every child in our care.

At our school, we believe in the power of community. We work collaboratively, support one another, and celebrate each other's successes. You'll find yourself surrounded by colleagues who are passionate about education and dedicated to making a real difference. Your role will be pivotal, and we ask for your full commitment as we continue to strive for excellence together.

We warmly invite you to bring your own special talents, ideas, and energy to our brilliant team. Every member of staff plays a vital role in shaping our school's culture and success, and we are excited to see the unique contributions that you will make.

Our respectful, kind and extremely well-behaved children are already looking forward to getting to know you. They thrive in an environment where they feel supported, inspired, and challenged—and you will play a key part in that journey.

We promise you a special kind of job satisfaction that only working with children can provide and I know that you will find a truly rewarding experience waiting for you. Shakespeare Primary School is proud of its traditions and its vital role that it continues to play in providing the very best experiences for our children and families. Your efforts will be recognised and appreciated by all, and you'll have the opportunity to grow both professionally and personally in an environment that nurtures and inspires.

If you would like to visit the school, please get in touch and we will arrange a mutually convenient appointment.

Good luck in your application!

Warm regards,

Steve Twist
